LINEDESIGN
YOUR PARTNERS IN GROWTH

ABOUT US..

studio LINEDESIGN is a distinguished Architectural, Design, and Consultancy firm founded in 2000 by its Principal Architect Ar. Gaurav Varmani. Based in New Delhi, we have established ourselves as a trusted practice, with a reputation for delivering high-quality, innovative architectural solutions. Over the past two decade, our firm has achieved significant milestones, working on landmark projects across India.

Our success is driven by our talented and dedicated team of architects, designers, and project managers who work collaboratively to ensure the seamless execution of every project. We have successfully delivered over 25 million square feet of built-up space, handling large-scale industrial developments across PAN India. With the capability and infrastructure to manage complex industrial projects, we have earned our position as a leader in the industry.

At studio LINEDESIGN, we believe that design is a powerful strategic tool for achieving lasting competitive advantages. Our expertise enables us to push creative boundaries and implement tailored project solutions that stand out in the marketplace.

We WELCOME clients who are inspired by fresh, innovative thinking and are looking to create unique identities within their industries. We value the trust and mutual respect in every partnership, understanding that a strong fiduciary relationship is key to achieving the success of each project.

ENDORSEMENTS

Mr. Pankaj Munjal

CMD
Hero Motor Company

“Our Interaction during the design & execution of our upcoming HIP valley project in Ludhiana have been quite intense & thought provoking. Wherein he challenged the obvious & presented an entirely unique perspective to the project planning. In true sense he is a friend, philosopher & guide to all his clients. He is always ready to take on new challenges and emerge on top”

Mr. Rajiv Nath

Managing Director
Hindustan Syringes & Medical Devices Ltd.

“Studio Linedesign Architects has been used twice by us for our Industrial Building Projects and we are satisfied with Quality of Services, Creativity, Dedicated Engineering Consultancy and value their advisories on layouts and cooperation on updation of drawings to accommodate our change requests as Projects get going. We seek straight, clean lines & simplified solutions and in Gaurav Varmani we find a meeting of minds with our Production Engineering Team and in helping realize my vision. Our best wishes are with them.”

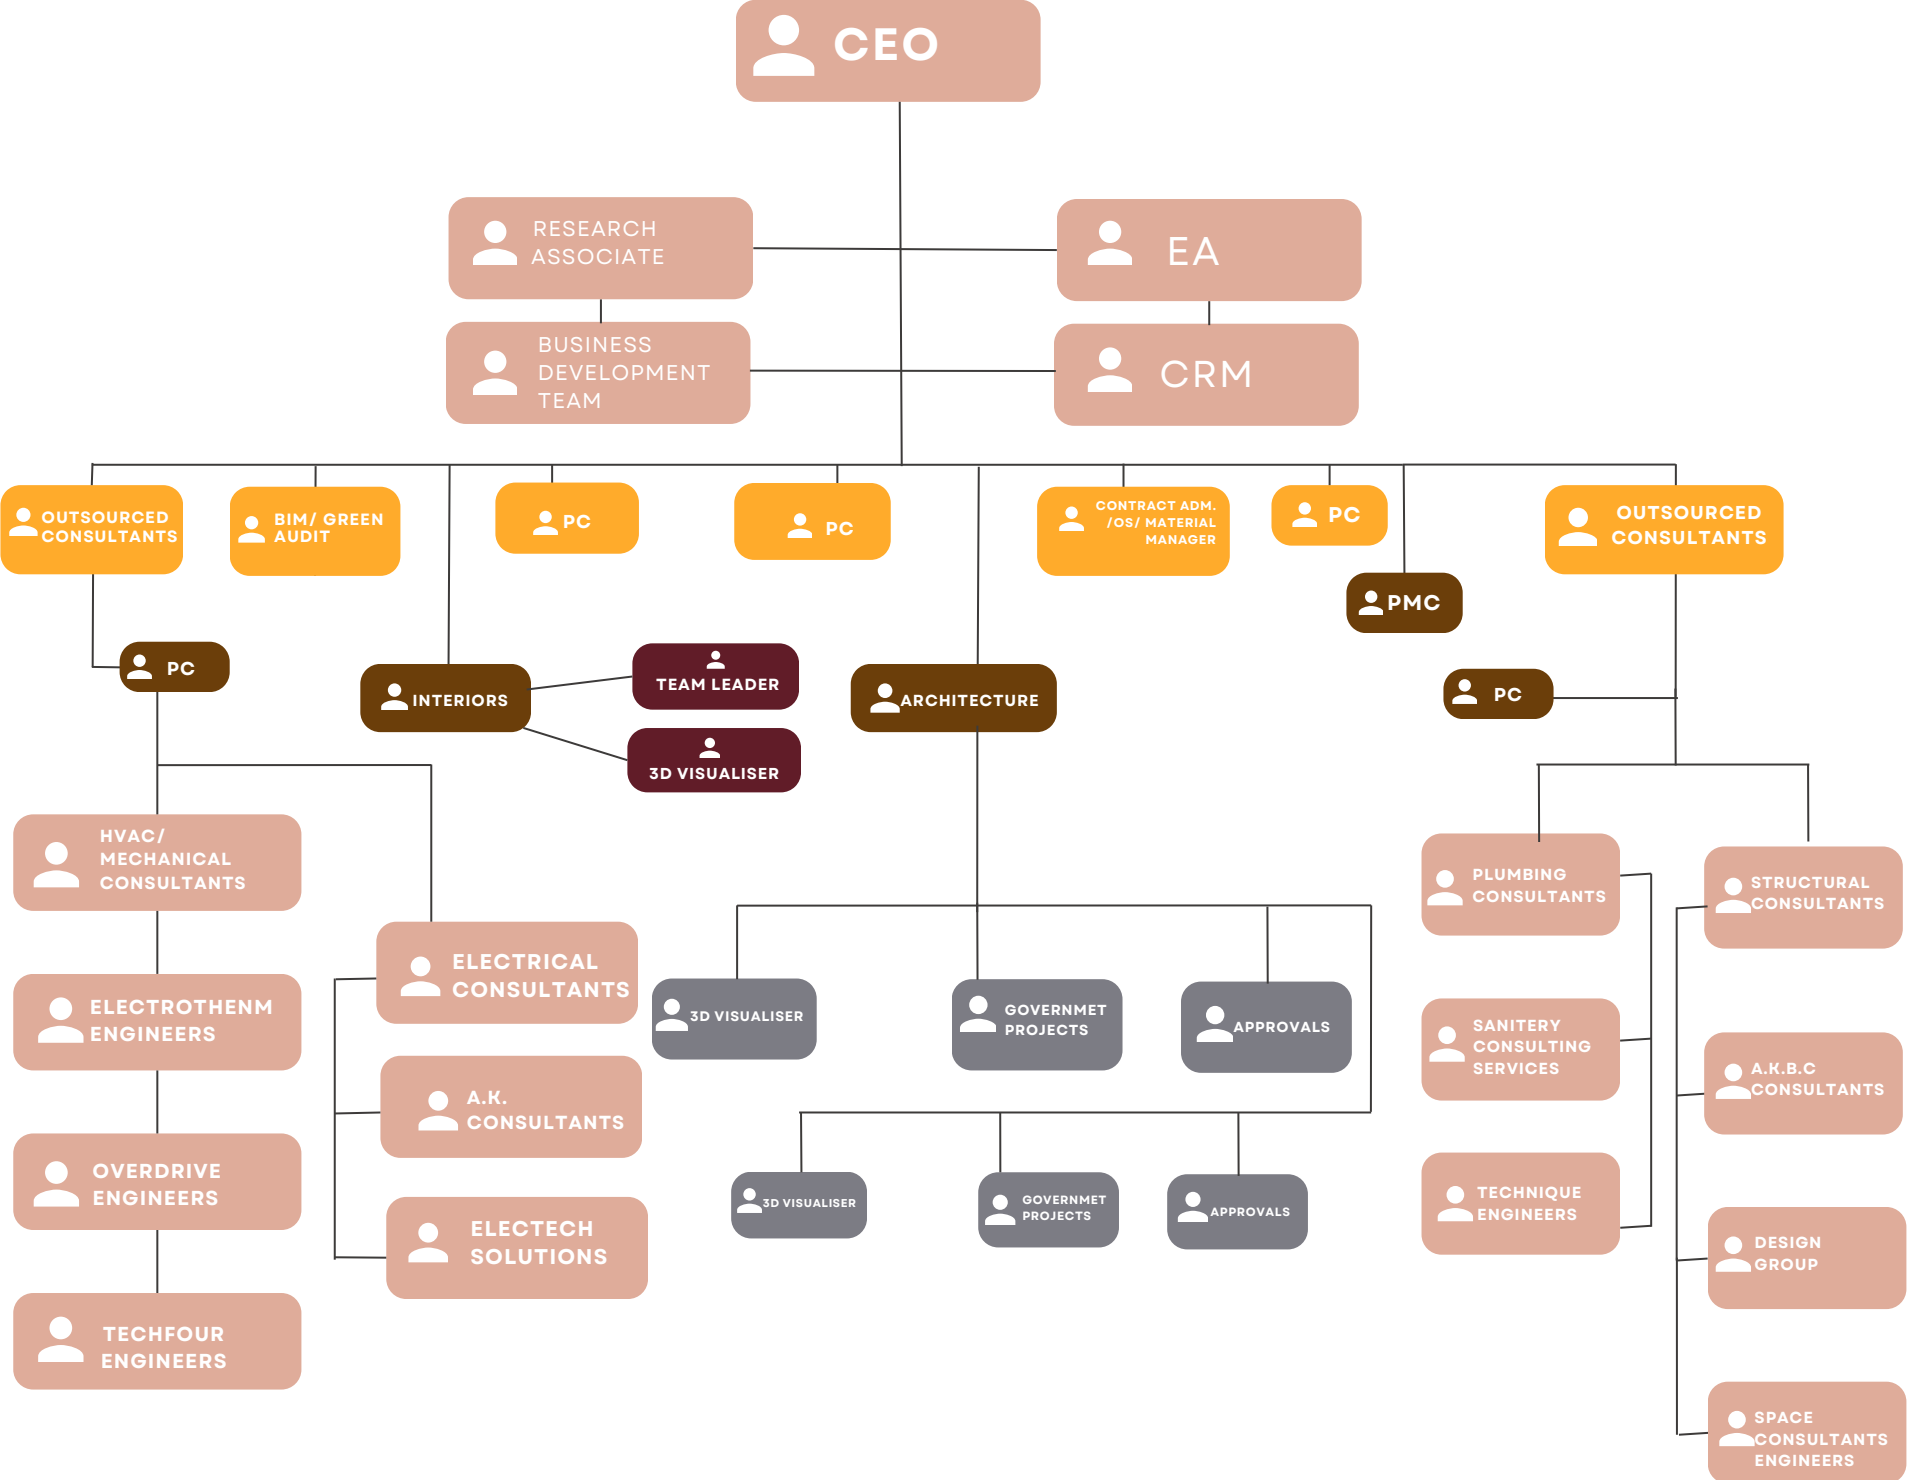

Mr. Gaurav Malhotra

Director
Presto Stantest P. Ltd. Faridabad, Haryana

“We have worked with Mr. Gaurav Varmani on two Factory cum office projects. He has been found to be very knowledgeable and always there to support. He has ample experience which is very useful. He is more of a friend now due to his amiable nature. I would highly recommend his services.”
